### Is your business **Health & Safety compliant?**

It is a legal requirement to display the Health & Safety Law poster in a prominent place, or issue your staff with the associated leaflet.

The poster includes basic health and safety information and lets people know who is responsible for health and safety in your workplace.

In April 2009 the HSE Government Office releases a new version of the Health & Safety Law poster

**OLD POSTER**

**NEW POSTER**

Before 5 April 2014 any old posters must be replaced. Until then, the old poster must be readable and the addresses of the enforcing authority and the Employment Medical Advisory Service up to date.

- Are you displaying the Health & Safety Law poster?
- Is it readable and up-to-date?
- Is it the new version?
